19" ALLOYS

Brookside Garage are pleased to offer for sale our own stunning High Specification 4 seater California finished in the best colour combination of Rosso Corsa with full Crema leather, highlighted in special order Rosso stitching to the seats, dash and door cards. The electric operated and heated front seats have the rearing Stallion embossed in the headrests. The car has Scuderia Shields and Silver gills to both front wings, Rosso Red Brake Callipers with 20 inch V spoke Diamond Cut Alloy Wheels fitted with Yellow Centre Caps and wrapped in Pirelli Pzero tyres, and the added benefit of the Carbon Ceramic Brakes. Driving is made easy with the Magneride Suspension and Manettino Integrated Control of the vehicle set up on the steering wheel. Daytona Carbon Fibre Steering Wheel with LEDs, Bi-Xenon Headlights, Dual Zone Air Conditioning, Yellow Rev Counter, Front and rear Parking sensors, Satellite Navigation System incorporating the audio system, Daytime Running Lights System. We have owned...
